Nature Sculpture: **Land, Sea, and Sky**

Assignment Requirements

Create a sculpture using the theme “Land, Sea, and Sky”.

You can interpret this theme in many ways. Make something you are excited about!

Your sculpture can be literal or abstract.

Your sculpture should be at least 5 inches in its longest dimension.

Create your sculpture using one or more of these techniques:

Coil

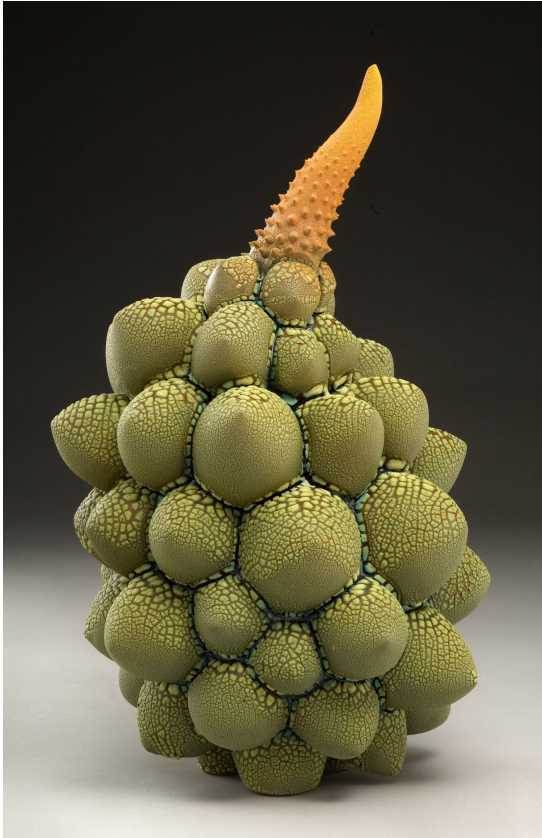

Pinch

Slab Construction

Hollow-Out

You are allowed to include other materials besides clay.
